

The DISYS Difference

Digital Intelligence Systems Corporation (DISYS) is an ISO 9001-certified IT staffing and consulting firm serving commercial and government customers worldwide.

Flexible, Nimble and Customer-Focused

DISYS focuses on serving customers for whom we can deliver true strategic value through long-term relationships. We provide a uniquely flexible and responsive alternative, positioned between traditional IT staffing firms that cannot deliver appropriate skill-sets for today's complex IT issues and the larger consultancies that are simply too expensive for many engagements.

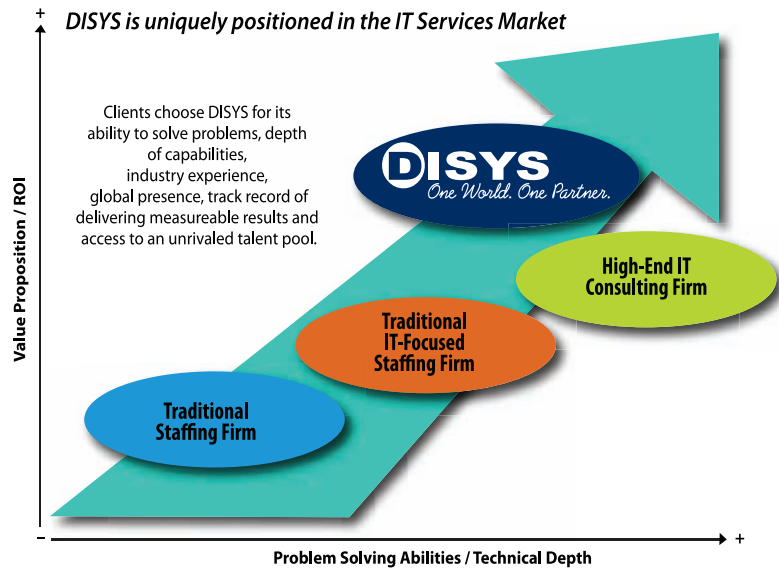

Clients choose DISYS for our problem-solving ability, depth of capabilities, industry expertise, global presence, track record of delivering measurable results, and access to an unrivaled talent pool.

Discover What Sets Us Apart

- Minority Business Enterprise (MBE) certification, helping you satisfy your MBE requirements while complying with all associated reporting and government regulations. DISYS was recently selected as "Minority Business of the Year" by the Houston Minority Supplier Development Council from more than 3,000 entrants
- Just-in-time resourcing with best-fit candidates for every project
- On-staff subject matter experts with industry domain knowledge and technical solution expertise
- Onsite/Offshore/Near-Shore options providing access to expertise at flexible pricing. Our international delivery centers offer low-cost service locations as well as opportunities to support your own expanding global operations

Strategic Competitive Positioning

DISYS is uniquely positioned in the IT Services Market

"Clients choose DISYS for our problem-solving ability, depth of capabilities, industry expertise, global presence, track record of delivering measurable results and access to an unrivaled talent pool."

- Delivering what we promise by consistently providing a high return on our clients' investment
- Proven track record of saving customers 35% or more over traditional consulting firms on mission-critical ERP, infrastructure, integration, upgrade, implementation, testing, and support projects

The results speak for themselves. DISYS has enjoyed 99.4% client retention and over 50% compound annual growth since 2001. Staffing Industry Analysts recognized DISYS as the 6th Fastest Growing U.S. Based Staffing Firm for 2009.

DISYS
One World. One Partner.
